

Blankies For Babies Newsletter

MARCH 31, 2008

VOLUME 1, NUMBER 2

*"Passing on the
Warmth of the
Heart"*

Welcome and Thank You

Welcome to Blankies For Babies. We are truly thankful for people like yourselves that have shown interest in our mission!

Take advantage of our two chapters, one in Hawaii, and one in Oklahoma! Our chapters can help you plan a party, give you a hostess packet, and help you distribute the blankies you make and collect.

Also a warm welcome to all our new friends on Myspace! Thank you for the support and encouragement as well as spreading the word!

A special thank you to the ladies of "Mountain Babes of Pleasant Valley" for your incredible support!!

Upcoming Events:

Hostess Training (Oahu) April 12, 2008 3:00pm

There is no charge to attend this training.

If you are interested in hosting a *Blankie Party*, then this is the event to attend.

I will teach you how to make a no-sew blankie, so you can teach your guests at your party. You will also receive a Hostess Packet, which will include invitations, flyers, blankie tags, directions how to make a no-sew blankie, and guest list. Before you leave, I will go over everything in the packet.

You keep your finished blankie to use as an example at your *Blankie Party*!

Space will be limited to 7 Hostesses so please contact CBorden@blankiesforbabies.com to reserve your spot and to receive directions to the location.

Red, White, & Blue Blankie Party (Oahu) June 21, 2008

Details will be included in the May newsletter.

WEBSITE and MYSPACE PAGE

I apologize for the web-site glitches that occurred this month. Thank you for contacting me to let me know of the problems. I believe the problem has been solved. So if you weren't able to maneuver around it before, please revisit www.blankiesforbabies.com.

Our Myspace page is boasting 95 friends now!!! Thank you to our friends for posting bulletins, passing on the links, and leaving encouraging comments! I have left it open as a public page, so you 'should' be able to view it without joining Myspace. If you are not able to, please let me know so I can contact their support staff. The link is: www.myspace.com/blankiesforbabies. We would LOVE to add you to our friend's list. This will be the place to meet other volunteers, share stories, get ideas, and see pictures of any events.

Getting Involved

We are looking for men and women who would be interested in hosting Blankie Parties, especially on Oahu and in the Oklahoma City area. If you would be interested in hosting a Blankie Party, please contact Blankies For Babies for a Hostess Packet which will include all the information you will need.

If you are not near a current Chapter, but would still like to host a party, please contact Blankies For Babies along with contact information for the organization that you would like the blankies from your party to go to. Once contact has been confirmed, a Hostess Packet will also be sent to you for your party.

((Remember, Blankies For Babies is NOT YET an official non-profit organization. For this reason, absolutely NO monetary donations are to be accepted, under ANY circumstances. Thank you!))

ANNOUNCEMENT: I am now looking for someone to teach to take my place over the Hawaii Chapter. I will be moving this fall, so if you are on Oahu and are interested, please let me know. Mahalo!
